

Frankenstein and “The Post-modern Prometheus”

Directions: Read each question carefully. Use the text of *Frankenstein*, the mythology article, and “The Post-Modern Prometheus” worksheet to complete your answers in a detailed manner.

1. Explain which character in each work (the novel and the episode) best represents the mythological figure of Prometheus.
2. List three specific things that the creature in *Frankenstein* and the creature in the episode have in common:
 - 1.
 - 2.
 - 3.
3. Unlike other *X-Files* episodes, this episode is in black and white. Referring back to your notes on Gothic Horror, what visual elements of the episode create a tone similar to that of *Frankenstein*?
