

# Manasquan Recreation Winter Improv Workshop

Looking to try something new this winter?

## Mr. Harvey & Mr. Mawn's Winter Improv!

What's it all about? This annual workshop teaches improv at a fast and furious pace. After a few warm ups newbies and veteran players will be cracking each other up and laughing until their sides hurt. If you like the games on *Whose Line is it Anyway?* or the goofy skits on *Saturday Night Live*, or if you have seen *Improv for Ron* and wished you could be up on that stage, then this workshop is for you.
