August 2016

Dear Parents and Students,

We are looking forward to welcoming all of our students to Manasquan High School for an exciting new year.

For the upcoming 2016-2017 school year, we are responsible for monitoring student attendance and discipline. Mr. Bramley will be working with the students in grades 9 and 11, and Mr. Read will be working with grades 10 and 12.

Two of the most important lessons education should teach are discipline and tolerance. While they do not appear as subjects, they underlie the whole educational structure. Training in these areas develops self-control, character, orderliness and efficiency. They are the key to good conduct and proper consideration for other people. With an understanding of the purposes of discipline and tolerance in a school, you may form a correct attitude toward it, and not only do your part in making your school an effective place of learning, but develop the habits of self-restraint which will make you a better person.

We are excited to welcome you for the new school year. If you have any questions, please feel free to contact the Assistant Principal's office.

Yours truly,

Donald Bramley
Assistant Principal
