1100 DISTRICT ORGANIZATION

The Board of Education directs the establishment and implementation of an organizational plan for the management and control of school district operations. The plan will require the identification and resolution of problems at appropriate organizational levels. All references to school district administrators in policies or regulations shall be construed to mean that administrator or his/her designee.

All members and employees of this Board are directed to observe faithfully the chain of communications established by the district organizational plan. In general, a problem should be identified and its resolution attempted at the level most immediate to the problem's origin. When a resolution cannot be found at that level, remedy may be sought through appropriate resolution and remediation procedures.

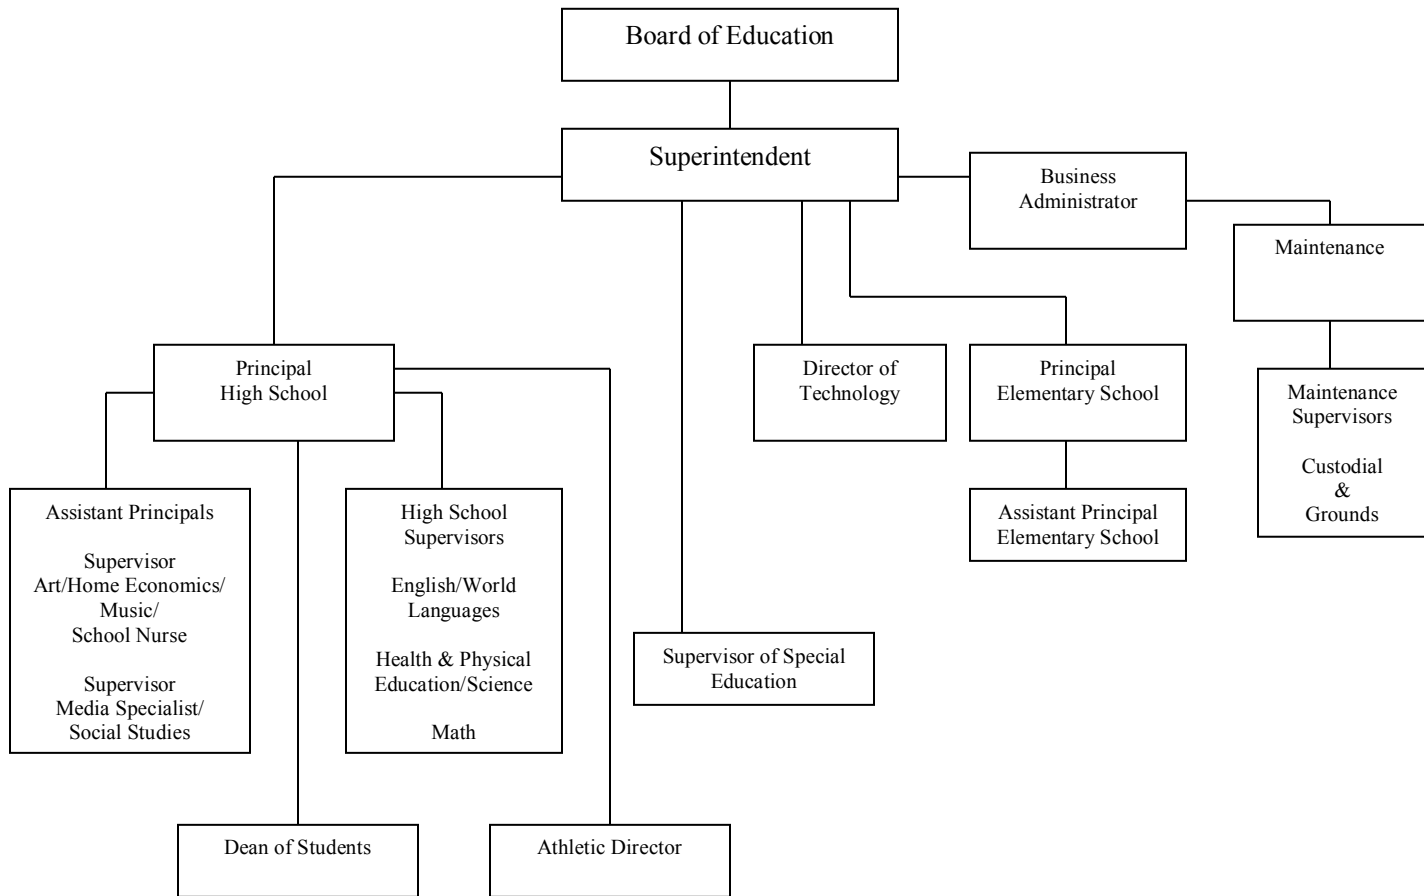

The Board expressly disapproves of any attempt to expedite the resolution of a problem by disregard of the organizational plan and the appropriate processes. A staff member's persistent disregard for the established management organization of this district in violation of this policy will be considered an act of insubordination subject to discipline.

School districts with budgets in excess of \$25,000,000 or with more than three hundred employees shall maintain an Enterprise Resource Planning (ERP) System which integrates all data and processes of the school district into a unified system. The ERP system shall use multiple components of computer software and hardware and a unified database to store data for the various system modules to achieve the integration. Districts required to maintain an ERP System that do not have an ERP System in place on July 1, 2008 shall fully implement an ERP System by the 2010-2011 school year and maintain both the existing system(s) and run a beta test ERP System during the 2009-2010 school year. Whenever considering financial systems or the automation of other services or functions, the Superintendent of Schools or School Business Administrator/Board Secretary shall notify the Executive County Superintendent in writing to see if opportunities for a shared service system exist. Access controls shall be established for key elements of financial systems to ensure that a single person does not have the ability to make system edits that would violate segregation of duties controls.

The school district shall maintain an accurate, complete, and up-to-date automated position control roster to track the actual number and category of employees and the detailed information for each. Districts are required to maintain a position control roster by December 31, 2009. The position control roster shall share a common database and be integrated with the district's payroll system, agree to the account codes in the budget software, and ensure that the data within the position control roster system includes, at a minimum, the required information as required in N.J.A.C. 6A:23A-6.8(a)3.

In counties where there is no Executive County Superintendent or Acting Executive County Superintendent, the Assistant Commissioner for Field Services shall review and approve all above contracts.

The contract review and approval shall take place prior to any required public notice and hearing pursuant to N.J.S.A. 18A:11-11 and prior to the Board approval and execution of those contracts to ensure compliance with all applicable laws, including but not limited to N.J.S.A. 18A:30-3.5, 18A:30-9, 18A:17-15.1 and 18A:11-12.

The public notice and public hearing requirements of N.J.S.A. 18A:11-11 do not apply to new contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured.

Administrative Employment Contracts

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits and all other emoluments.

The review and approval shall be consistent with the following additional standards:

1. Contracts for each class of administrative position shall be comparable with the salary, benefits and other emoluments contained in the contracts of similarly credentialed and experienced administrators in other school districts in the region with similar enrollment, academic achievement levels and challenges, and grade span.
2. No contract shall include provisions that are inconsistent with the travel requirements pursuant to N.J.S.A. 18A:11-12 and N.J.A.C. 6A:23A-7 including, but not limited to, the provisions for mileage reimbursement and reimbursement for meals and lodging in New Jersey. Any contractual provision that is inconsistent with law is superseded by the law.
3. No contract shall include provisions for the reimbursement or payment of employee contributions that are either required by law or by a contract in effect in the district with other teaching staff members, such as payment of the employee's State or federal taxes, or of the employee's contributions to FICA, Medicare, State pensions and annuities (TPAF), life insurance, disability insurance (if offered), and health benefit costs.
4. No contract shall contain a payment as a condition of separation from service that is deemed by the Executive County Superintendent to be prohibited or excessive in nature. The payment cannot exceed the lesser of the calculation of three months pay for every year remaining on the contract with pro-rata for partial years, not to exceed twelve months, or the remaining salary amount due under the contract.
5. No contract shall include benefits that supplement or duplicate benefits that are otherwise available to the employee by operation of law, an existing group plan, or other means; e.g., an annuity or life insurance plan that supplements or duplicates a plan already made available to the employee. Notwithstanding the provisions of this section, a contract may contain an annuity where those benefits are already contained in the existing contract between the employee and the district.
