## HERE'S WHAT PAST CAMPERS HAVE SAID!

"Both camps give you the opportunity to express yourself in ways you can't learn in school. It is the highlight of my summer and no matter what age you are, you are guaranteed to have fun!"

---

"There are three essential things that make a good camp: good instructors, a calm environment, and friendly people. This camp has all three."

---

"It's an amazing experience and a great chance to share what you love doing with other people and to improve your skills."

---

"Everyone at camp is interesting and friendly. There's no pressure like there is in school. You can express yourself and be creative."

---

"Writing Camp has made me realize that everybody can write - you just have to try."

---

"Acting Camp is quite possibly the most fun  
I've had all summer!"

## AND PARENTS SAY!

"The in-class activities are wonderful...Mr. Harvey and Mr. Mawn really help kids come out of their shells and increase self-confidence."  
- **Peggy Thorn**

"In our society, there are so many outlets for kids interested in sports, but not so many opportunities for kids in the creative arena. Mr. Harvey and Mr. Mawn provided such a supportive 'structured-unstructured' environment where the kids could really unleash their creativity."

- **Mimi DeSomma**
