

## ESPN Magazine Fundraiser

Parents/Players:

For the upcoming 2010 season we have decided to include selling ESPN the magazine subscriptions as part of our fundraising efforts. With each two year subscription (52 issues) we sell for \$40, we will get to keep \$30. We are asking that each player sell 3-4 subscriptions. You can sell them directly to somebody or purchase it as a gift for someone.

All checks you collect should be made out to Manasquan Baseball. All forms and checks should be handed into Coach Van Pelt by the deadline date. Once all forms and checks are handed in, we will send the orders to ESPN and those who purchased the magazine will start to receive it about 6-8 weeks upon receipt to ESPN. After the deadline we encourage you to continue with the sale of the magazines as they are a fantastic fundraiser that can continue to make the program money over the year. Should you sell additional subscriptions after the deadline date, please forward the forms and checks at your earliest convenience and we will process the order with ESPN.

As an added incentive to reach our goals, for **every subscription over 3 you sell, you will earn a \$10 dollar credit** to be used at RKE Athletic located at 1608 Rt. 71 in Wall, NJ.

We would like to collect all orders and checks by **Friday Jan. 8, 2010**. You are free to continue selling the subscriptions after that date and to turn them into Coach Van Pelt in school.

Additional order forms and material will be available for you to access at Coach Van Pelt's teacher home page at [www.manasquanschools.org](http://www.manasquanschools.org).

Thank you for your continued support of the baseball program.
