Subject: New Scholarship Opportunity

Dear Counselors,

I would like to contact you to tell you about a new scholarship opportunity for your students. The Angel Dolphin Scholarship is designed for students who have lost one or both parents. I had the pleasure of meeting the founder of the Angel Dolphin Scholarship, Brandon McLean, this past summer. Since then I have been working with him to spread the word about this wonderful opportunity because I relate to this scholarship on a personal level. My mother died a tragic death when I was 15 and I had to pay for college completely on my own. I know that if this opportunity had been around when I was still in college, it would have really helped my financial struggle. This is the first year that the Angel Dolphin Scholarship is giving out an award so if you know any students who this could help please encourage them to apply and spread the word about this opportunity to your colleagues.

If you have any questions please feel free to contact me through my email or through the scholarship's website.

Sincerely,
Wendie Charles
