Dear Guidance Council Department,

I am pleased to share with you that Simon Youth Foundation (SYF) in partnership with Jersey Shore Premium Outlets 2012 Community Scholarship awards are now available. The one-time scholarship awards up to \$1,400 to one high school senior who lives within 50 miles of Jersey Shore Premium Outlets and who plans to attend an accredited university, two- or four-year college, technical, or vocational school.

In addition, an Awards of Excellence, which is a \$2,500, renewable scholarship award, will be given to the top candidate from among the scholarship winners that represent each of Simon Property Group's nationwide Premium Outlets® locations. All Community Scholarship applicants will be considered for the Award of Excellence, and only a single application needs to be completed.

Applications for the SYF Community Scholarship can be obtained by visiting Guest Services at Jersey Shore Premium Outlets. Students can also download an application from the SYF website at www.syf.org/our-initiatives/scholarships/community-application.

All completed applications must be received on or before March 1, 2012. In addition to the completed application, students must send in their official school transcripts and their parent or guardian's most recently filed tax form.

All applications are reviewed by Scholarship Management Services, SYF's third-party administrator. Scholarship America considers a variety of criteria, including academic record, leadership skills, participation in school and community activities and financial data.

After a careful review of all applications, recipients will be notified by May 15, 2012.

Please feel free to contact Michele Deroian with any additional questions regarding the scholarships at mderoian@simon.com or (732) 918-1700. You can learn more about SYF at www.syf.org.

Sincerely,

Michele L. Deroian
