**John Lepping Memorial Scholarship
2012 Application**

Dear Guidance Counselor:

We are pleased to inform you that the first two years of providing financial support to qualified candidates under the Lep Foundation for Youth Education was a great success. Through fund raising activities we were able to award seven \$5000 college scholarships in 2010 and 2011.

In 2012 we will be awarding at least four \$5,000 scholarships to qualified youngsters seeking to further their education by attending college.

The Lep Foundation is a public charity that provides financial assistance to youngsters seeking to further their education. The John Lepping Memorial Scholarship is specifically designed to support disabled youth who demonstrate academic success and are motivated to move their lives forward through education despite their disabilities.

The Lepping family and friends created the scholarship to honor the memory of Coach John Lepping, who dedicated much of his life to supporting youth activities at the high school and college level in the New Brunswick and central New Jersey communities during his time as a football coach.

Please visit the foundation website at www.lepfoundation.org to read more about the mission of the Lep Foundation for Youth Education and to find details about the scholarship application. We invite you to encourage students from your school who meet the criteria outlined within the application to complete and submit an application along with their transcript and letters of recommendation no later than May 1, 2012.

Applications and supporting documentation can be returned to:

Lep Foundation for Youth Education
Attention: John Lepping Memorial Scholarship Selection Committee
