December 1, 2011

The New Jersey Burglar and Fire Alarm Association (NJBFAA), an official chartered chapter of the Electronic Security Association (ESA), is pleased to announce the availability of college scholarship awards to sons and daughters of active-duty police and fire personnel.

The scholarship awards, in the amount of \$1,500 for first prize and \$1,000 for second prize, are available to qualified high school seniors. The rules for eligibility are contained in this mailing. The ESA has more than 2,500 members and the NJBFAA has 300 members in our state. Our members are companies that sell, design, install, maintain and monitor electronic burglar and fire alarm systems. This scholarship award is a small way for our industry to say thanks to our very dedicated public safety community, and to help pay for an advanced education for deserving students.

Please publicize this scholarship opportunity. A copy of the requirements and application are included with this letter. They can be copied and distributed as much as needed.

Another exciting aspect of this scholarship is that the first place winner from our state is eligible for the national scholarship awards. The ESA Youth Scholarship program awards two college scholarships. The first place national winner receives \$7,500 and the second place award winner receives \$2,500.

We are happy to provide this opportunity to two deserving students, and look forward to assisting you in any way. If you have questions, please contact Christine Higgins at 609-695-4444.

Sincerely,

*Chris Mack*
