October 19, 2018

Dear High School Parents and Guardians,

It is hard to believe school has now been open for almost two months. As we approach the end of our first making period, it is critical to keep the lines of communication open between parents and teachers to address any academic concerns with the implementation of our new master schedule.

With this in mind, the Board of Education approved two early dismissal days on Monday, November 19 and Tuesday, November 20, the afternoons of which parents can choose to schedule conferences with their child's teachers.

Appointments will be able to be made online through our Parent Portal beginning on Monday, November 12, after first marking period report cards are available. (Instructions for making these conference appointments will be forthcoming.)

Also, with the help of the high school administration and facilities staff, food is now allowed in our second floor classrooms during the unit lunch period where our extra help and academic labs meet. This allows for students to eat lunch while also getting the academic assistance they may need, should they choose to do so.

With changes like these, we continue to take feedback from our stakeholders and make enhancements to ensure our students' academic success.

Yours in education,

Frank Kasyan, Ed.D.
