## WHO WAS RON KUBIK?

Ron Kubik was an adventurous young man with boundless enthusiasm. He was a memorable student at Manasquan High School who participated in many diverse classes and activities. He was a good student, musician, storyteller, wrestler, actor, writer, motivator, and friend.

In May of his senior year, Ron came to school with a new haircut: a green Mohawk. He was suspended and sent home. Later, he argued his case for free expression before the Board of Education, and won. When he graduated in 2006, he dreamed of becoming a lawyer.

Instead, Ron became a U.S. Army Ranger in the elite 3<sup>rd</sup> Battalion, 75<sup>th</sup> Ranger Regiment. During Operation Enduring Freedom in Logar Province, Afghanistan, Ron led an assault against members of the Kabul Terror Network. He is credited with saving 29 lives that day, April 23, 2010, including 19 innocent Afghani women and children. In 2013 he was awarded the military's third highest decoration for valor: the Silver Star.

## WHAT IS THE SGT. RONALD A. KUBIK MEMORIAL SCHOLARSHIP?

\$1000 awarded to a Manasquan High School senior who "embodies the spirit of Ron," meaning those who are well-rounded, adventurous and enthusiastic, participate in many different types of activities, enroll in a variety of classes, speak up for justice, and make every classroom they enter a better place. Winners are selected by application.
