# Day 1

**LET THE ADVENTURE BEGIN!!**

# Day 1

- We just traveled from LA to Loreto, Mexico.
- We set up camp and got to know everyone.

A large, bold, black 'AEROMEXICO' logo is mounted on a white wall. The letters are in a classic, slightly stylized sans-serif font. The wall is part of an airport terminal, with a curved ceiling and recessed lighting fixtures visible above and below the sign.

  - Finding strange creatures

(we had “Would You Rather” to keep us busy)
- We visited a 300 yr old missionary church
- And perhaps one of the trip’s best moment was visiting the elementary school children and just spending a incredible day with them.
