At our Back-to-School Night Program you will have the opportunity to hear about your child's grade-level classroom experiences. Please understand that our teachers do not have the time during the evening to discuss the individual progress of their students. Therefore, in fairness to all parents, please remember that details about your child's individual progress will be shared with you at *Parent-Teacher Conferences* in November. Should you have a concern that you feel needs to be addressed prior to our scheduled conference times, please feel free to contact your child's teacher after this evening's program to arrange for a meeting.

We look forward to seeing you Thursday night!

Sincerely,
Colleen Graziano
