Manasquan School District's mission is to empower students to reach their potential and become life-long learners. We strive to ensure that students play an active role in their education, are guided by rigorous academic standards aligned with the New Jersey Core Curriculum Content Standards, and function within the community that regards student, educators, and parents as full participants in the educational process. We dedicate ourselves to the realization of a supportive learning environment that nurtures growth, personal integrity and mutual respect.

5. Statement to the Public

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then placed on the agenda at the next Committee of the Whole meeting. The members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. After the Committee of the Whole approves the matter, it is placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

6. Public Forum on Agenda Items

Time may be allocated for public comment at this meeting. Each speaker may be allotted a limited time when recognized by the presiding officer. In the event it appears the public comment portion of the meeting may exceed 45 minutes, the presiding officer may limit each statement made by a participant to 3-5 minutes duration. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not keeping with the conduct of a proper and efficient meeting. During the public participation portions of this meeting, the Board will not respond to questions from the public involving employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific or
