The Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education.

#### Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by

the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner. Pursuant to N.J.S.A. 18A:38-1.c, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly persons offense.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.b if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.d if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3.b. The school district shall not be obligated for transportation costs; and
4. If the student resides on Federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A. 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student's eligibility to attend this school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:22-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

## Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or subset of documents without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.

In the case of a dispute between the school district and the parent of a student in regard to the student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission(NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1.3. The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.

## ELIGIBILITY OF RESIDENT/NONRESIDENT PUPILS (M)

### Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no

## ELIGIBILITY OF RESIDENT/NONRESIDENT PUPILS (M)

evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information.

The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student's birth certificate or other proof of a student's identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

### Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

## ELIGIBILITY OF RESIDENT/NONRESIDENT PUPILS (M)

### Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education.

Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

### Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

### Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board of Education may assess tuition, for up to one year of a student's *ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1* for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

## Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The continued enrollment of any nonresident student shall be contingent upon the student's maintenance of good standards of citizenship and discipline.

## Children of District Employees

Children of Board of Education employees who do not reside in this school district may be admitted to school in this district with payment of tuition, provided that the educational program of such children can be provided within school district facilities.

## F-1 Visa Students

The school district is not required to, but may permit the attendance of F-1 Visa students into the school district only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 Form, in accordance with the provisions of Federal regulation 8 CFR 214.3. A F-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student's proof of financial means to pay the full tuition to the receiving school district for the academic year. The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with supporting documentation as determined by the Superintendent or designee. A student with a F-1 Visa must be approved by the Board for attendance in the school district. The student's continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.

## J-1 Visa Students

The school district is not required to, but may permit the attendance of J-1 Visa students into the school district. The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with supporting documentation as determined by the Superintendent or designee. A student with a J-1 Visa must be approved by the Board for attendance in the school district and shall not pay tuition. The student's continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.

### 1648.13 SCHOOL EMPLOYEE VACCINATION REQUIREMENTS

In accordance with Executive Order No. 253 signed by the Governor of New Jersey on August 23, 2021, the Board shall adopt and maintain a policy that requires all covered workers to either provide adequate proof that they have been fully vaccinated or submit to COVID-19 testing at a minimum of one to two times each week.

This requirement shall take effect on October 18, 2021, at which time any covered workers that have not provided adequate proof to the school district that they are fully vaccinated must submit to COVID-19 testing at a minimum of one to two times each week on an ongoing basis until fully vaccinated.

For purposes of Executive Order 253 and this Policy, “covered workers” shall include all individuals employed by the Board of Education, both full and part-time, including, but not limited to, administrators; teachers; educational support professionals; individuals providing food, custodial, and administrative support services; substitute teachers, whether employed directly by the Board of Education or otherwise contracted; contractors; providers; and any other individuals performing work in the school district whose job duties require them to make regular visits to the school district, including volunteers. Covered workers do not include individuals who visit the school district only to provide one-time or limited duration repairs, services, or construction.

A covered worker shall be considered “fully vaccinated” for COVID-19 two weeks or more after they have received the second dose in a two-dose series or two weeks or more after they have received a single-dose vaccine. Individuals will only be considered fully vaccinated after they have received a COVID-19 vaccine that is currently authorized for Emergency Use Authorization (EUA) by the United States Food and Drug Administration (FDA) or the World Health Organization (WHO), or that are approved for use by the same.

Workers who are not fully vaccinated, or for whom vaccination status is unknown, or who have not provided sufficient proof of documentation, shall be considered unvaccinated in accordance with the provisions of Executive Order 253.

3. A record from a health care provider's portal/medical record system on official letterhead signed by a licensed physician, nurse practitioner, physician's assistant, registered nurse, or pharmacist;
4. A military immunization or health record from the United States Armed Forces; or

The Board of Education's collection of vaccination information from covered workers shall comport with all Federal and State laws, including, but not limited to, the Americans with Disabilities Act, that regulate the collection and storage of that information.

To satisfy the testing requirement of Executive Order 253 and this Policy, an unvaccinated covered worker must undergo screening testing at a minimum of one to two times each week, to be determined by the Superintendent of Schools.

An unvaccinated covered worker is required to submit proof of a COVID-19 test. The unvaccinated covered worker may choose either antigen or molecular tests that have EUA by the FDA or are operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

Where a Board of Education provides the unvaccinated covered worker with on-site COVID-19 test(s), the school district may similarly elect to administer or provide access to either an antigen or molecular test.

### School Employee Vaccination Requirements

If the covered worker is not working on-site in the school district during a week when testing would otherwise be required, the Superintendent or designee may not require the worker to submit to testing for that week. This requirement shall not supplant any requirement imposed by the Board of Education regarding diagnostic testing of symptomatic workers or screening testing of vaccinated workers.

The Board of Education shall track test results required by Executive Order 253 and must report those results to the local public health department.

Nothing in Executive Order 253 and this Policy shall prevent a Board of Education from revising this Policy to include additional or stricter requirements, as long as such revisions comport with the minimum requirements of Executive Order 253.

Executive Order 253 authorizes the Commissioner of the Department of Health (DOH) to issue a directive supplementing the requirements outlined in Executive Order 253, which may include, but not be limited to, any requirements for reporting vaccination and testing data to the DOH. Actions taken by the Commissioner of the DOH pursuant to Executive Order 253 shall not be subject to the requirements of the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq.

This Policy shall be supplemented by Policy 1648.11 – Appendix A, which shall include the school district's protocols implementing the provisions of this Policy.

The Superintendent is authorized to implement revisions to provisions in this Policy based on any subsequent Executive Orders or any additional mandates that affect any provisions of this Policy. Any such revisions in this Policy shall be submitted by the Superintendent to the Board of Education for ratification if the Board cannot approve such revisions before the effective date.

Executive Order 253 – August 23, 2021

## APPENDIX A – District Protocols

The district shall require all covered workers as defined by Executive Order 253 to submit a record of their vaccination to the Superintendent's office or affirmatively indicate that they do not intend to be vaccinated and therefore be subject to weekly testing.

The Superintendent or designee shall maintain a current list of all covered workers who have verified their vaccination status and a current list of all covered workers not fully vaccinated who must be tested, at minimum, once or twice weekly. These lists shall be kept confidential and considered part of the covered worker's medical file.

Covered workers who are unvaccinated shall report their proof of testing to the district or by signing an attestation form promulgated by the Superintendent. The attestation form will require that the covered worker, under penalty of law, certify (1) the date the specimen was collected from the covered worker; (2) confirmation that the test result was negative for COVID-19; (3) agreement that the covered worker will maintain a copy of the test result; and (4) agreement that the covered worker will produce a true copy of the test result to the district upon request.

The Superintendent or designee shall review the list of covered workers who are not fully vaccinated to confirm that all listed employees have submitted proof of testing.

A casual covered worker (including those paid hourly, per diem, or through a stipend), who is not fully vaccinated who does not comply with the testing requirements outlined in this policy shall not be eligible to continue to work and shall not be eligible to work again during the period Executive Order 253 is in effect unless they resume submission of proof of testing and are granted permission to become eligible for work again by the Superintendent or designee.

In accordance with Title IX of the Education Amendments of 1972 and the Code of Federal Regulations (CFR), 34 CFR §106, the school district adopts this Policy and implement practices to investigate and resolve allegations of sexual harassment of students engaged in by school employees, other students, or third parties pursuant to 34 CFR §106.3(c). ### Sexual Harassment of Students

A school district with “actual knowledge” of sexual harassment in the educational program or activity of the school district against a student, must respond promptly in a manner that is not “deliberately indifferent”.

Any school employee who receives a complaint of sexual harassment or is aware of behavior that could constitute sexual harassment is required to report that information to the Title IX Coordinator in accordance with the provisions of 34 CFR §106.8(a) and B.1. of Regulation 5751. The district must report any potential child abuse in accordance with N.J.S.A. 18A:36-24; N.J.S.A. 18A:36-25; N.J.A.C. 6A:16-11.1; and Policy and Regulation 8462.

The Title IX Coordinator shall notify persons entitled to a notification pursuant to 34 CFR §106.8(a)(1) that the school district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX and Policy and Regulation 5751 not to discriminate in such a manner in accordance with 34 CFR §106.8(b)(1).

The Title IX Coordinator shall prominently display the contact information required to be listed for the Title IX Coordinator pursuant to 34 CFR §106.8(b)(2)(i) on the school district’s website and in each handbook or catalog the school district makes available to persons entitled to a notification in accordance with 34 CFR §106.8(a). Policy and Regulation 5751 shall be prominently displayed on the district’s website and accessible to anyone.

Supportive measures shall be available to the Complainant, Respondent, and as appropriate, witnesses or other impacted individuals.

The school district shall use the grievance process outlined in 34 CFR §106.45 and Regulation 5751 to address formal complaints of sexual harassment. The school district shall offer both parties an appeal process as outlined in 34 CFR §106.45 and Regulation 5751 from a determination regarding responsibility for sexual harassment and from the Title IX Coordinator’s dismissal of a formal complaint or any allegations of sexual harassment.

The Title IX Coordinator shall be responsible for effective implementation of any remedies in accordance with 34 CFR §106.45(b)(7)(iv). The appropriate school official designated by the Superintendent, after consultation with the Title IX Coordinator, will determine sanctions imposed and remedies provided, if any.
