6. Statement to the Public

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then placed on the agenda at the next Combined Committee of the Whole and Regular Board meeting. The members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. After discussion during the Committee of the Whole portion of the meeting, the matter is focused on during the Regular Public Board Meeting agenda and presented to the Board of Education for a vote.

7. Public Forum on Agenda Items

Time may be allocated for public comment at this meeting. Each speaker may be allotted a limited time when recognized by the presiding officer. In the event it appears the public comment portion of the meeting may exceed 45 minutes, the presiding officer may limit each statement made by a participant to 3-5 minutes duration. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not keeping with the conduct of a proper and efficient meeting. In order to ensure all members of the public who wish to participate are afforded a timely and orderly opportunity to do so, the Board may not answer questions posed by those making comments. The Board may address questions posed during this period once all members of the public wishing to speak have done so. The Board will not respond to questions

from the public involving employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific or prospective or current employee. This public forum is limited to comment on items included in this agenda only.
