Mr. Cattani read the Mission Statement and Statement to the Public.

8. Mission Statement

Mission
Statement

Manasquan School District empowers all students by providing a safe, healthy, and inclusive environment where continual growth, perseverance, and rigorous academic standards are

balanced with extensive extra-curricular opportunities and rich tradition through partnership with the community.

9. Statement to the Public

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then placed on the agenda at the next Committee of the Whole meeting. The members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. After the Committee of the Whole approves the matter, it is placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

Mr. Cattani introduced Robert Hulsart of Robert A. Hulsart & Company for the audit presentation.

10. Presentations

• Audit Presentation – Robert Hulsart of Robert A. Hulsart & Company

Mr. Hulsart reported that the results of the audit were excellent with no recommendations. He complimented Mrs. Coates, the business office staff and the entire district for a job well done with the financial reporting. Mr. Hulsart provided information on state requirements and said there were no significant changes with the auditing process this year. Dr. Kasyan thanked Mr. Hulsart for the professionalism provided during the audit with very little inconvenience to the staff. Mr. Hulsart concluded his report.

Mr. Cattani opened the Public Comment on Agenda Items and read the following statement.

11. Public Comment on Agenda Items

Time may be allocated for public comment at this meeting. Each speaker may be allotted a limited time when recognized by the presiding officer. In the event it appears the public comment portion of the meeting may exceed 45 minutes, the presiding officer may limit each statement made by a participant to 3-5 minutes duration. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not keeping with the conduct of a proper and efficient meeting. During the public participation portions of this meeting, the Board will not respond to questions from the public involving employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific or prospective or current employee. This public forum is limited to comment on items included in this agenda only.

Mr. Cattani closed the public comment seeing no participation from the public.

Mr. Cattani referred to Document B in the agenda and the decision made to change the format of the agenda to have the Public Comment on Agenda Items immediately followed by the Public Forum on non-agenda items. Dr. Kasyan said this would allow the public the opportunity to speak earlier in the meeting on non-agenda items. The change will take effect at the January 28th meeting.

Old & New
Business

Mr. Cattani asked if there was any Old or New Business to come before the board.

Mr. Cattani reported that the Ad Hoc Facilities Committee will resume meeting and asked if those currently on the committee wish to continue and if anyone else would like to be considered should there be an open spot.

Ad Hoc
Committee

Dr. Kasyan reported that the HVAC project is moving along very well and on schedule. He updated the board on the work currently underway and anticipates the guidance suite to be up and running in about three weeks. A construction report will be provided on January 28th.

HVAC Project
Update

Mr. Sorino asked for status on the bussing for athletic events. Dr. Crawley said that some people applied and were not interested because of the “on call” details of the job. Dr. Kasyan said there is a current employee that has a CDL. Dr. Crawley said that currently the lack of buses has not been a problem with the current sports schedule; however, it could reoccur with the start of the spring sports schedule.
