

## **Expectations For Student Behavior**

Students, parents, school administrators, and the Board of Education of Manasquan High School all agree that positive student commitment and behavior are essential to effective learning. We believe that it is important to help students realize that their own attitudes and acts are directly related to their school experience and that of their classmates. With the support and assistance of school personnel and parents, all students have the capacity to demonstrate actions which contribute to the effectiveness of schools and the worth of their learning experiences. Commensurate with their maturation levels and individual abilities, all students can behave in ways that enhance the social relationships of the school and facilitate learning.

Therefore, we, the students, parents, teachers, administrators, and the Board of Education of this school district expect **all students to fulfill the behavioral expectations of the school community** and to:

- Prepare themselves mentally and physically for the process of learning.
- Demonstrate respect for people and property.
- Take responsibility for their own behavior and learning.
- Use time and other resources responsibly.
- Share responsibilities when working as members of a group.
- Meet the unique requirements of each class.
- Monitor their own progress toward objectives.
- Communicate with parents and school personnel about school-related matters.
