

Integrated Pest Management

The New Jersey School Integrated Pest Management Act of 2002 requires schools to implement a school integrated pest management policy. The Manasquan Board of Education will implement Integrated Pest Management (IPM) procedures to control pests and minimize exposure of children, faculty and staff to pesticides. The Manasquan Board of Education has developed and maintains an IPM plan as part of the school policy. For additional information contact Matt Hudson, IPM Coordinator at 732-528-8820 Ext. 1058.
