

School Counseling Services

The Philosophy of the counseling program in Manasquan High School is that school counseling is an essential, integral part of the educational process. Counselors provide a comprehensive, developmental counseling program addressing the academic, career and personal/social development of all students. As student advocates, counselors recognize the uniqueness, dignity, and personal worth of each individual. In an interactive process, the counselor facilitates student academic achievement. Counselors work collaboratively with students, parents, educators, and community members to support each student's ability to contribute at the highest level as productive members of society.

The Manasquan High School Guidance curriculum includes:

Classroom Guidance:

- Academic skills support
- Organizational, study, and test-taking skills
- Post-secondary planning and application process
- Career planning
- Education in understanding self and others
- Coping strategies
- Peer relationships and effective social skills
- Communication, problem-solving, decision-making, conflict resolution, and study skills
- Career awareness and the world of work
- Substance abuse education
- Multicultural/diversity awareness

Individual Student Planning

- Goal setting
- Academic plans
- Career plans
- Problem solving
- Education in understanding of self, including strengths and weaknesses
- Transition plans

Responsive Services

- Individual and small-group counseling
- Individual/family/school crisis intervention
- Peer facilitation
- Consultation/collaboration
- Referrals

System Support

- Professional development
- Consultation, collaboration and teaming
- Program management and operation

Requirements For Graduation

All students must earn a minimum of **150 credits** over the four (4) years that they attend high school. Five (5) credits are earned with the successful completion of all full semester courses. Physical Education and Health are adjusted based on the time spent in either Physical Education or Health.

The following courses must be included in the **150 credits** required:

English I, II, III, IV	20 credits
Physical Ed/Health I, II, III, IV	20 credits
World History	5 credits
United States History I and II	10 credits
Biology PLUS TWO additional sciences	15 credits
Mathematics	15 credits
Computer Course	5 credits
Visual and/or Performing Art*	5 credits
World Language	5 credits
Career Education, Consumer, Family Life Skills or Vocational Tech.* Education	5 credits
Financial Lit.	2.5 credits

*For a complete list of courses that satisfies these requirements, please consult your Guidance Counselor.

Credit Requirement

(Minimum Progress to the High School Diploma)

A student will move from:

Grade 9 to 10 if he/she has earned	35 credits
Grade 10 to 11 if he/she has earned	70 credits
Grade 11 to 12 if he/she has earned	110 credits

Grading System

Grades will be recorded on report cards using a numerical system. The lowest grade recorded for grading purposes for marking periods will be 60. Grades recorded for final exams will be the grade actually earned. Teachers may record lower grades during the marking period and for the mid-term, but 60 will be the minimum grade used for report card grades, with the exception of the final exam. For final exams only, teachers can record the grade earned on the final exam. Students who receive a grade of "F" during the 4th marking period, must receive a passing grade on the Final Exam in order to pass the course for the school year.

The equivalent letter grades are as follows:

A	Excellent	93 -100
B	Good	85 – 92
C	Average	77 – 84
D	Passing	70 -76
F	Failure	0 -69
WP	Withdrawal Passing	
WF	Withdrawal Failing	

Final Grade Computation

The district's grading policy is used to compute final grades. Teachers devise a system for each marking period; i.e. value of quizzes, tests, homework, classroom participation, etc. Such grading systems should be known and approved by the department supervisor. Students should be informed of the teacher's grading system at the beginning of the year.

- Full year course: Each marking period is equivalent to 20%. The Mid Term Exam is equivalent to 10% and the Final Exam is equivalent to 10%.
- Semester course: Each marking period is equivalent to 45%. The Final Exam is equivalent to 10%.
- Three quarter course: Each marking period is equivalent to 30%. The Final Exam is equivalent to 10%.
- One quarter course: The marking period is equivalent to 90%. The Final Exam is equivalent to 10%.

- In semester length classes any student who fails one (1) marking period **MUST** pass the final exam and have a passing average in order to pass the course. Any student who fails to take the final exam will fail the course.
- In full year classes any student failing two (2) marking periods **MUST** pass the 4th marking period and/or the final exam and have a passing average in order to pass the course.

Incompletes

An "I" on a report card in lieu of a grade indicates that the marking period grade or the final grade cannot be computed because the student's academic work is incomplete. Incomplete grades must be satisfactorily completed within two weeks after report cards are issued or they will automatically be changed to 60 unless the subject teacher requests, in writing, that the grade be held "I" because of extenuating circumstances.

Permission To Drop A Course

The decision to drop a course is made based on several factors including the number of credits a student has, alternative courses available, and the reason given for dropping the course.

To drop a course, a form must be secured from the School Counseling Office and the dates below must be adhered to.

Progress Reports

Students' progress reports will be available online between marking periods to parents of students. These reports do not necessarily mean that a student is failing, but a deficiency is noted which needs correction, or to alert the parent of the student's academic achievement.

Extra Help

You may always seek extra help from your teacher if you do not understand an assignment, if the work is difficult, or if you have been absent and have missed assignments and class discussions. Arrange a conference with your teacher before or after school or at a time convenient to both of you during the day. Please contact your Guidance Counselor for specific extra help schedules. Tutorial services are also provided by National Honor Society members.

Transcripts

Any student who requires a transcript sent to a college should have a transcript request form filled out and signed by his/her parent or guardian and returned to his/her guidance counselor. Requests should be **made** at least two weeks prior to the college's deadline. Transcripts are free of charge.
