

DETENTION

Detention period is a time when the student is assigned to stay after school or on Saturday for any infraction of school rules. Students should fully understand that any teacher in the building has the authority to correct misconduct at any time. Therefore, it is conceivable that a teacher might assign detention to a student who is not in any of his/her classes.

In cases where individual students have detention in two areas at the same time, teacher detention shall take precedence and the teacher shall notify the office to this effect. Students who fail to report to detention are subject to further disciplinary action including suspension.

Students will be given 24 hours notice for office detention with the option of reporting the same day if they choose.

Students assigned detention are to report to the designated area at 2:35 p.m. with work to do. Students must come prepared with an assignment. If you are not prepared you will not be given credit for that day's detention. Detention is to be treated like any other class period.
