STUDENT COUNCIL

The Student Council has a highly active role. Its purpose is not to govern the students but to serve as a meeting place between the student body and the administration where students can assume as much of the responsibility of organizing their high school activities as they are able to handle. It is the place where problems or questions arising from either the students or the administration can be presented for discussion and consideration.

The Student Council's principal purposes are as follows:

To unify student activities under one control and promote the general activities of the school.

To aid in the internal administration of the school.

To teach the students the values of working in a democracy.

Officers of the Student Council are elected in school wide balloting. Each class elects representatives to the Council. According to Board of Education Policy, the presidents of both the Student Council and Key Club will serve as ex-officio student liaison members of the Board of Education.

BIG BLUE BOOSTERS

The Big Blue Booster Organization meets on the second Wednesday of every month at 7:30 p.m. in the high school. The purpose is to support and promote athletic competition at Manasquan High School. The activities include the coordination of the Awards Night for Fall, Winter and Spring sports and the Senior Sports Banquet in the spring of each year.

Any parent or other adult interested in supporting the athletic program is welcome to attend. Our meetings are frequently attended by members of the school administration including our principal and athletic director. If you would like to voice an opinion on how the sports program is conducted, we would like to hear from you.
