

## Biography Project

Over the next 2 weeks, you will be researching a person, filling out a graphic organizer, and creating a poster on the person you choose. Remember, a biography is facts about someone else's life.

### Materials needed:

- Pencils
- Crayons, colored pencils, or markers
- Graphic organizer- if you do not have a printer you can draw it out
- Biography Poster- if you do not have a printer you can draw it out

Below is a suggestion of how to space out your work, but you can do it at your own pace.

**Monday 5/11:** research a person you would like to learn more about. Use the internet, magazines, books, or even any textbooks. Here are some website suggestions:

- Brainpop.com
- <https://www.factmonster.com/people/biographies>
- <https://www.dkfindout.com/us/>- click on history and there are several people that come up
- <https://www.kidtopia.info/people.html>

**Tuesday 5/12- Friday 5/15:** Begin to fill out your graphic organizer. Do not rush through it. Try and pick 2 parts to fill in at a time, or work on this approximately 20 minutes each day. Whatever works for your schedule.

**\*Starting next week, on Monday 5/18, you will use your graphic organizer to create a poster about your person. If you do not have a printer, you can write it out on any paper you have.**
