## Manasquan School District

### Strategic Plan 2015-2019

## District Mission Statement

*"The Manasquan School District empowers all students by providing a safe, healthy, and inclusive environment where continual growth, perseverance, and rigorous academic standards are balanced with extensive extra-curricular opportunities and rich tradition through partnership with the community."*

## The Strategic Planning Committee

- The Manasquan School District's Strategic Planning Committee is made up of community members, parents and staff to assess the current status of the school district and make recommendations to the Board of Education for future planning.
- The committee provides focus for the organization when making decisions and assigning both human and material resources.
- The Strategic Planning Committee is made up of 6 sub-committees: Communication & Engagement, Instructional Opportunities, Extra-Curricular Opportunities, Facilities, Health, Safety & Security, and Staff & Faculty, who identified common themes that serve as the foundation for the Manasquan School District's strategic goals.

### Communication & Engagement

- The goal of the Communication & Engagement Committee is to foster communication by creating a partnership between home, school and community. The committee plans on analyzing existing methods of communication and resources to identify obstacles, restrictions and limits.
- They will explore methods and ways to make participation more diverse by

utilizing multiple social media platforms in order to communicate with all (Twitter, Facebook, Honeywell, Instagram.)

### Instructional Opportunities

- The goal of the Instructional Opportunities Committee is to provide all students with an educational environment that optimizes their potential through a variety of 21st century differentiated learning opportunities.
- To achieve this goal the Committee will facilitate articulation opportunities within and between grade levels to provide consistent curriculum implementation to ensure equitable opportunities for every child.
- The District will utilize data available to develop individual student goals and to plan for classroom instruction to promote and enhance student individual growth. The curriculum will be evaluated and updated on a regular basis.

### Extra-Curricular Opportunities

- The goal of the Extra-Curricular Opportunities Committee is to establish a means to increase student participation through online directory services of all club meetings, dates and activities and by establishing a late bus route to accommodate increased participation for students.

### Facilities

- The Goal of the Facilities Committee is to create a plan for facilities maintenance to be implemented by creating and reporting on detailed monthly plans.
- To ensure funding to enhance facilities to meet the needs of the ever evolving school community by dedicating sufficient budget funds.

### Health, Safety & Security

- The district will maintain safe facilities that have effective security policies and fosters an inclusive, healthy, and supportive environment for all students.

### Staff & Faculty

- The district will commit to an administrative/staff model that ensures an innovative, efficient, and effective approach to instruction and operations.

*The strategic plan is a living document and will be assessed on a yearly basis by members of the Strategic Planning Committee.*
