

### Softball Aims for

### States

By: Chris Craig

As the softball during the Monmouth season carries on, the County Tournament. "We softball team is looking were really pumped up

towards the state tournament. After falling short of the 500 record needed to make shore conference, the girls are looking to redeem themselves.

With a current record of 9-10, the girls look back upon the season with a few games in mind.

Their biggest victory came when they ten runned wall at their May 9<sup>th</sup> game at Rash Field. The girls dominated the entire game closing it out with a 12-0 victory. Another great win came when the team faced St. Rose in a night game

about the game" said senior Jamie Kapalko. The team started with an early lead and held on until the end of coming out on top with a final score of 9-6.

The Lady Warriors went into their game against Ocean knowing they were a strong team. However, the two teams battled it out, going into extra innings but ultimately falling, ending the game with a 2-1 loss.

Senior Kelly Nolan was quoted as saying "The season is good, we're doing a lot better then last year". Good luck to all the girls for the rest of the regular season and on making the state tournament.

## Squan Tears Down the Wall

By: Eric Quatrone

This season for the Blue Claws minor league Manasquan baseball team stadium. Manasquan was

has been filled with ups and downs, heart breaking losses, and come from behind victories. The latest of their last inning wins came against arch rival Wall, on Wednesday, May 11. Manasquan won the game 7-5, with the help of

a huge 2-run homer by T.J. LaBaugh. Squan was down 5-2 in the sixth inning when LaBaugh hit the home run to make it 5-4. Then in the seventh

inning, the Warriors scored three runs to make it 7-5 on RBI hits by Brad Newman and Joe Florentine. Florentine also pitched a great game and kept it close for Squan, with James McNulty getting the win.

Another huge victory for Manasquan came against St. Rose, on Sunday April 24<sup>th</sup>. Manasquan rallied back from a 4-1 defeat in the 7<sup>th</sup> inning to beat St. Rose 5-4 at the Lakewood

trailing for most of the game 4-1, but in the top of the 7th they came back to score four runs. Key hits by Nick Vasilenko, Dave Armstrong, and Mike Voskian produced the runs.

A.J. Adamcyzk pitched the entire game and ended it by striking out the first, second, and third hole hitters in St. Rose's lineup on nine pitches.

Coach Gordon commented, "The Wall and St. Rose games were a huge

wins for us. They are our two biggest rivals and we played them very well."

Key wins for the Warriors also came against Rumson and Red Bank Catholic. Squan swept RBC this year, one of the top teams in the conference.

Junior Pitcher/ Infielder James McNulty said that, "We have a lot of talent on the team this year. We always seem to find away to come back after being

## Athletes Soar Despite Losing Record

By: Caroline Sweeney

The Boy's and Girl's Track teams are having a rough season. Both teams have a record of 0-5. Although the record doesn't show it, they do however have strong stand-out athletes.

who returned this year have broken their personal bests such as juniors Billy Bruchetta, Ian Honauer, and John Girard, and sophomores Martin Marshall and Mike Mele. Senior Devin Rich has had some strong

> throws this year in the shot-put as well. "We're overly impressed with the great lengths that we have crossed to break our personal records," said Girard.

Long jumper and triple jumper Jen Ragan, who holds the schools triple jump record, is also having a terrific season. Nichole Hawkins is exceptionally talented in the shot-put, long jump, and high jump.

MHS's group of high hes out jumpers are fantastic at what they do. Alycia Piazza, Alison Siderko, and Nichole Hawkins have improved greatly since last year. This year Hawkins soared over 5 feet

Manasquan's young group of pole vaulter's are having a great season. Sophomore Mark Cavallieri, RJ Read, Caroline Sweeney, and Freshmen Ashley Aquilante have all achieved outstanding personal bests.

4 inches at one of this seasons meets.

The track season isn't over yet. There are still Counties, RBC duel meet, Shore Conference, Sectionals, and States left. Good luck all the athletes in the weeks to come.

Freshman pole vaulter Ashley Aqualante stretches out before her event

The teams have a large, talented staff of coaches this year. Miss Z. coaches the distance runners, high jumpers, long jumpers, and triple jumpers. Mr. Higgins coaches the throwers in the javelin, shot-put, and discus events. Coach McHarris coaches the 100 and 200 sprinters. Miss Gmitter instructs the middle distance runners, and also tackles the challenge of the hurdling team. Mr. Read is the pole vaulting coach, along with former student Sean Walsh.

The boys' team has a strong hurdle team. The hurdlers, RJ Read, Thom Salaway, and Kevin Kircher, recently broke the 4 x 3 hurdle school record. The new record is now 3 minutes 14.5 seconds, which is quite an accomplishment.

The throwing team has many of new participants. Most of those

down a few runs in the early innings. We are a very tough team."

Manasquan's record currently stands at (10-8) and are getting

# Boys' Tennis Serves it Up

By: Michaella Dooley

Boys' tennis is having a great season so far! Right now their record stands at a very respectable 10-5, and things are only looking up. They made it into the Shore Conference tournament, in which they did very well. They recently won in a tough match against Red Bank Regional (in the Shore Conference Tournament), and they have qualified for States.

Jarrad Smoke has been the stand-out player of the tennis team by far this season. He holds an amazing undefeated personal record of 18-0,

and also won the Monmouth C o u n t y S i n g l e s Tournament. He qualified for the State's S i n g l e s Tournament.

and his team has high hopes of him making it very far into the tournament and plan to see him coming out having done very well.

Other key players have been Mike Kelly who plays second singles, Brian Batarris who plays third singles, and Bryson McTighe and John VanWagner who play first doubles.

With a big game like Red Bank Regional behind them, Coach Cahill has bright hopes for the games coming up. "I think we're going to do well," he said.

Now the boys' tennis team is looking forward to a big game against West Windsor Plainsborough today and going even further into the State tournament.

make advancements through good business sense are apparent. A need

(May 22-June

#### May 16. 2005

By: Natalie Wilt and Amanda Nadrowski

Positive connections can be made if you get involved in environmental organizations. Sudden trips will take you by surprise. Any capricious behavior will confuse loved ones and your mood swings will result in loneliness. Mingle with individuals who are established and can give you some serious insight into business and future trends.

You could pick up valuable knowledge through conversations with experienced individuals. You can get into self awareness groups or look into physical enhancement programs. Social events will lead to a strong and stable relationship. Hassles with close friends or family will put a damper on your day and result in isolation and loneliness.

Get involved in fitness programs that will bring you in contact with new friends. Your involvement in sports or entertainment will lead to new romances. Your partner may push buttons that infuriate you. Get domestic chores out of the way early.

Better still, take your mate and let them foot the bill. However, you should be concerned about what they want in return. You will be attracted to unusual forms of entertainment and foreign cultures. Be up front if you don't want to be embarrassed.

You will be able to get your own way if you use your intellectual charm and know how. Catch up on correspondence. If you can get away for a vacation, do so. You can accomplish the most if you travel for business purposes.

(Sept. 24

Don't reveal anything about your personal life that could be used adversely. Don't overspend on friends or children. Either way, you're up for a passionate encounter with someone special. Look at your options before making commitments that could jeopardize your financial position.

You are best to deal with those outside your family. If possible, rely on coworkers to back your objectives, and talk to superiors in order to get approval. Pleasure trips will ease the (July 23-Aug tension between you and your mate. It may be a disappointing day emotionally.

(June 22-July

Ask those in key positions to help you overcome the delays and to support your concerns in order to move on. Your best gains will come through helping others emotionally. Someone you work with could have a personal interest in you. Try to channel your energy into physical work.

(Apr. 21- may

Love could develop with someone of a different cultural background. Your questions will help you ferret out secret information. Realize that you don't have to do everything yourself. You need to spend some time reflecting on past experiences and involvement's.

Opportunities for romance will develop through group endeavors; however, the association isn't likely to last. Don't let someone take the credit for a job you did. You can complete any projects efficiently, especially if you put the effort in yourself. If you can, try to work out of your home this month.

(Mar. 21- April

You can make money if you put your savings into conservative investments. Problems with relatives and friends could surface. Don't push your luck with your boss. You can bet that you'll draw attention to yourself.

#### RISE AGAINST:

## Siren Song of the Counter Culture

By: Kevin Jones

Rise Against, a small town band from Chicago is finally making big time progress as

they bloom from the independent scene. Their third c.d., Siren Song of the Counter Culture is just what was needed to draw in fans nation wide. They have finally made the journey from being a small time stage opening band for groups

such as NOFX, AFI, and Snapcase to having a newly released hit on MTV, "Give it all".

This well known song is just a taste of what the new album consists of. With a familiar and always likeable fast paced punk rock melody, the band achieves a new flavor with the growling voice of lead vocalist Tim McIlrath. With McIlrath's voice screaming the bands feelings to you throughout most of the album, the rhythm begins to slow and the lyrics begin to lighten towards the end. If your into fast paced punk rock and need a change, Rise Against's new album *Siren Song of the Counter Culture* is just what the doctor ordered.

### Gossip Girls

"You're The One I Want And Nobody Does It Better"

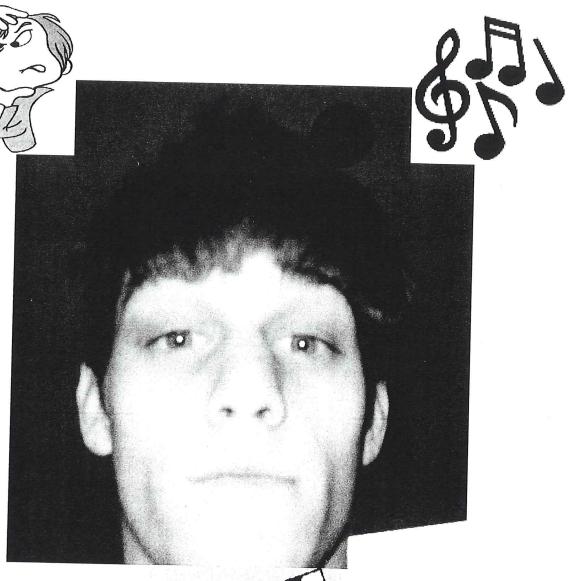

Larissa Ret

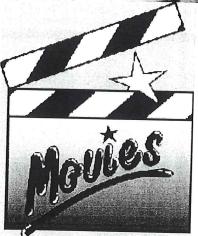

The gossip continues in the 6<sup>th</sup> and 7<sup>th</sup> book of Cecily von Ziegesar's popular series, Gossip Girl. In You're the one that I want, the 6th book, the extremely rich and spoiled Upper East Side teenagers have found something to stress about! Aside from shopping, partying, and frequent vacations, it's time to apply to college. Blair, Serena, and the rest of the gang can't seem to get their minds off of getting into the college of their dreams. But that's not the only stress they endure! The reality of cheating boyfriends, and lying best friends continues. Aside from all the stress, they are still trying as hard as they can to relax and enjoy their last year of high school. But relaxing sometimes seems impossible with all the gossip going around. Get sucked into this juicy novel and discover the life of rich kids beyond the Prada bags, the weekly manicures, and daily shopping sprees.

In the 7<sup>th</sup> book, *Nobody Does It Better*, the stress of getting into college eases. Acceptance letters are finally mailed out and *most* people are pleased! Everyone except Blair Waldorf. And as you will find out, when Blair's not happy, *no one* is happy. In this most recent Gossip Girl novel, you'll discover juicy secrets, how these Upper East Side kids are spending their final weeks of high school, and new beginnings for people you *never* thought would be friends. You'll also be surprised to see what extremes certain people will go to just to get accepted to college. You won't be able to put it down! It's the best one yet!

So, get to your local Barnes and Nobles and pick up these two books! If you've been a Gossip Girl from the start, you simply can't go without reading these. Even if you haven't read a Gossip Girl book yet, why not get started now? It's the most popular series out there, and you can't afford to miss out on the gossip!

## Joseph Ratzinger Becomes Pope Benedict XVI

By: Matt Gebhard

On April 24, the conclave stopped, white smoke arose from the top of the Vatican, and the ceremonial bells rang, signaling the selection of a new pope. Greeting the hundreds of thousands of people hoping to get a glance at the conclaves choice, Benedict XVI. A man elevated to cardinal in 1977, has been the church's top theologian for many years. considered Many Benedict interesting pick because of his age (77) and conservative beliefs. He was born on Holy Saturday in 1927 and was raised in Traunstein, Germany. He was named Josef Ratzinger and baptized that same day. In 1941, he joined the Hitler Youth, as required by all German males at the age of 14. Josef spent time

fighting in WWII in the German army and Austrian Legion, a group infamous for brutalizing enemies.

However in 1945, Ratzinger deserted the army and returned home. In 1951, Ratzinger was ordained into priest-hood. Two years later he earned his doctorate in theology from the University of Munich. After years of working in many Universities on dogmatic theology and serving as chief theological advisor to Cardinal Josef Frings on the Second Vatican Council, Josef Ratzinger was named Prefect for the Congregation for the Doctrine of the Faith, by John Paul II. In Ratzinger became named Vice-Dean of the College of Cardinals and in 2002 ascended to

Joseph Ratzinger, a former Cardinal from Germany, was selected as the new pope.

dean. Then finally, Ratzinger, was elected pope on April 19<sup>th</sup> and chose Benedict in order to commemorate, Pope Benedict the XV, leader of the Catholic Church during WWI.

## Botany Students Visit Longwood Gardens

By: Annie Pearsall

On April 20th at 7:30 a.m., the MHS botany class piled onto a yellow school bus. They were off to have a fun filled day at Longwood Gardens in Pennsylvania with teacher Mr. Lempa and advisor Mr. Barlow.

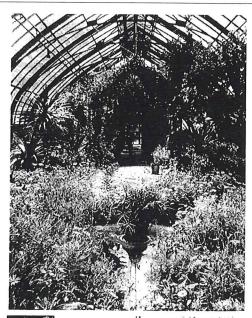

After a long two hour ride, the students were relieved to get off the bus and stretch their legs while looking at some of the most beautiful scenery that they have ever seen in their lives. Dan Mayfield remembers, "It was like we had stepped into another world."

The class toured around the gardens for a few hours before retiring to the garden restaurant where Mr. Barlow bought everyone a delicious lunch.

Longwood Gardens is one of the world's premier horticultural display gardens. It was created by industrialist Pierre S. and offers 1,050 acres of gardens, woodlands, and meadows: 20 outdoor gardens; 20 indoor gardens within 4 acres of heated greenhouses providing homes for 11,000 different types of plants. Senior Alex Rosa stated, "The day was beautiful and I have never seen amazing gardens before."

Beautiful scenery was seen around the Botany Class's trip to Longwood Gardens on April 20th.

## SOAR Students to Help with Upcoming Special Olympics

By: Tina Carbone

A select group of MHS students are currently participating in a very special SOAR project. Led by Mr. Higgins and Mrs. Hawrylak, this group will be attending the Special Olympics, and assisting in the events and activities that take place. This ceremony was very similar to the real Olympics.

In preparation for this activity, the MHS students learned how to be a better leader by doing various exercises here in the school and outside. The SOAR students were split into two groups, and had to perform a certain task that would teach them different skills including teambuilding, communication, and cooperation. One exercise included a student leading a blindfolded student. These two students, who didn't know each other, asked each other a series of questions. They walked around the school and had a lot of laughs because it was hard to direct the blindfolded This around. obstacle person would be impossible if the students didn't communicate and listen,

both skills that are needed to be a leader. Another activity the participated students in was an exercise that had about 9 or 10 students in a circle and putting one of their fingers on a hulahoop. The goal was to lower the hula-hoop to the ground, with every person's finger touching it. Easier

said than done! Many problems occurred, including one side tipping over, or one side not going down fast enough. But overall, many laughs were heard and the students learned how to cooperate with each other. The students were served pizza for lunch after their day of hard work.

These SOAR students deserve recognition for their hard work and their devotion to less fortunate kids. They are going out of their way to entertain these athletes and at the same time, they are also being taught all the skills that are needed in order to be a leader. Mrs. Hawrylak said, "I'm very proud of the students who came out for the project and I think they'll enjoy it." From what I saw, it was far from easy and they did a great job. Congratulations to the SOAR students who didn't give up and gave their time to help others!

A group of SOAR students participate in an activity involving a hula hoop to improve their team work skills.

## Mr. Bryant Receives Hard-Earned Award

By: Lauren Speirs and Maggie Ward

Congratulations to Mr. Bryant for receiving the Veterans of Foreign Wars Teacher of the Year Award! He works very hard and his students enjoy having him in the classroom. Everyone agrees that he deserves some recognition.

Mr. Bryant says that Manasquan is a great place to teach because of our wonderful traditions. Also, the fact that the kids here are fun and easy to teach, makes his job very enjoyable. He added that the teaching experience here is very rewarding. Jessica Rogers, a student in his U.S. I honors class, said, "Mr. Bryant is one of my favorite teachers in the school because he makes his class fun."

Mr. Bryant was very surprised and appreciative that the school nominated him for this award. The Manasquan VFW puts aside a very generous amount of money for the community. For example, they provide scholarships to high school students that range in amount from \$250 to \$500. This year is the 75th anniversary of this very charitable organization. So, congratulations to Mr. Bryant for getting some recognition teachings. his great

### Foreign Language National Honor Societies Induct New Members

By: Eric Quattrone

On Thursday, May 5, the Foreign Language National Honor Societies held inductions at the Jack Nicholson Theatre. Advisors Senora Vergara and Madam Kerenksy organized and ran the event.

Thirteen new members were inducted, adding to the 17 previous students already in the society. Entry requirements include: being a level 3 or higher foreign language student, 93 GPA, member of your respective foreign language club, and being involved in your community.

Mr. McCormack read an opening statement to start off the night. Previous members were all

on stage along with Senora Vergara and Madam Kerensky. Michaella Dooley read a history of the Spanish Honor Society in Spanish, followed by Matt Castillo translating into English. Colin Ford also read a

"The ceremony went very smoothly. I am pleased with the way everything turned out. Overall, it was a great night."

> Foreign Language National Honor Society President Michaella Dooley

history of the passing of the torch in Ancient Greece in French, with Nicole Farese translating in English. Brian Wheeler played the piano in the background throughout the night.

Finally, Michaella Dooley read the requirements needed for membership. Following that was a sign-in by all members. Then, each

> student was a given a candle, and they were lit one by one down the row. After that, each student recited a pledge.

Newly inducted members are: Elizabeth Bryndza, Donald Burke, Christina Caamano, Molly Donovan, Katie Dwyer, Emily Govel, Lauren Hansen,

Leslie Labruto, Kelsey Scribner, Laurine Stafin, Katelyn Perkowski, Jennifer Pretz, and Jane Wenthe.

### Spring Concert Hits All The Right Notes

By: Nicole Hawkins

Sing! Dance! Put your sunglasses on! Yes, this is what happened at the annual spring concert on May 4. The chorus wore their tuxedos and was accompanied by Mrs. Eichorn. There was a decent amount of people in the audience, many were children. The chorus had a little surprise at the end when they whipped out the shades for *Walking on Sunshine*.

The A cappella choir sang a piece called *Inscription of Hope*, which was actually written on the walls of the prisons that the Jews were put into during the Holocaust. The words are chilling, and the song is very deep. It sounded beautiful and it drew some of the people in the audience a little closer.

There were several solos and duets in this concert. Nicole and Anna Klindtworth sang Velvet Shoes, by Randell Thompson. Their voices flowed together nicely producing a very calm, soothing sound. Both girls have a lot of potential, and are only in their first and second year in chorus. Erin Rauch-Sassen sang a piece she put together herself, Where You Can't go Back, while she played the guitar. She has a very unique vet beautiful voice and has no fear of showing off her talent that she has been so obviously blessed with. Donald Burke performed an aria from Mozarts' "Figaro". come a long way in his 3 years of chorus, and proved that very nicely.

Overall the concert was a

success, and, as always, the choir enjoyed performing. To all who did came to support the choir, it was greatly appreciated and please come again. Next year will have a whole new scenario, it only gets better!

### New officers for next year's chorus:

President: Kristen Wappel Vice Presidents: Tim Sigler, Clair Palmer, & Don Burke.

### Awards received at Spring Concert:

National School Choir Award
-- Angela Ferrelli
Orion Award -- Rob Avakian
and Kerrin Galinis

#### New Athletic Fields

continued from page 1

of the Manasquan School District, provided useful information about the conceptual plans to the *Blue & Gray*.

The plans call for a brand new all-purpose sports field, consisting of artificial grass similar to that at Giants Stadium. This field will be surrounded by a regulation sized, six-lane, 400 meter track. The main field will be used not only for football games, but also for other sports as well.

The present football field will be rotated so the long side will be lined up with the back of the school. A line of bleachers also will be placed against the school; this will give the athletes a chance to run out to the fields from underneath the fans. For awesome commentary a press box will be added on top of the school.

One of the biggest positives is the addition of the 400m track, enabling the school to host its first track and field events since around 1960. Presently, Manasquan cannot host events, because its track is too small.

However there are potential negatives too. The biggest appears to be the protected wetland located on the school property. Since the new field will cut into the wetlands, the Field committee is trying to get their plans approved by the DEA.

According to Mrs. Morris, it has been too long since we have invested money in the fields. The fields are used year round and experience plenty of wear and tear. As Mrs. Morris said "we want to go with an artificial surface because if we use grass it could take over a year before it could be played on again".

This might be disappointing, but even with the artificial surface juniors and seniors will be long gone before the new fields are up and ready to go. If all goes according to plan Mrs. Morris says the fields should

At left, school-owned land to be sold as building lots on a newly developed culde-sac. A softball field is slated to

replace part of the existing football field, seen at right. A primary concern is wetlands bordering the present bleachers.

be ready by the fall of 2006. And, it must be stressed, that this is still a conceptual plan, and not a done deal.

For the plan to pass, the Board needs several factors to go its way. One of the major factors is funding. Borough Councilmen Bob Briant says that if all goes well these plans will not cost taxpayers a cent. The plan is to sell a narrow strip of property owned by the school district, located behind the field hockey field on North Main St., in order to fund the new fields. When asked about a price Mrs. Morris said it could cost around \$2 million, and stressed that this is still just an estimated amount.

Many Manasquan athletes are in favor of this new proposal. If the plans succeed and all goes well, it will not be long before we are able to show off our Warrior Pride in full glory!

### Students See France Beyond the Textbook

By: Megan Fechter

Over spring break, friends and family waved au revior to Mrs. Kerensky, Mr. Januario and seven foreign language students as they embarked on a trip to Paris, France. Touring Eiffel Tour, dining the a boat ride down the Seine, and walking tours around the city are cultural experiences that will never be forgotten.

Strimpler, Sam Emily Engler, Molly Donovan, Emily Govel, Laura Brahn, Katie Dwyer, and Almy Egan joined three students from MAST High School to spend a week abroad. From March 25th to April 1st these students spent their time testing their French speaking skills while getting acquainted

with the French lifestyle.

Despite a bad tour guide and getting lost several times they were able to see the Musee de Louvre, Musee d'Orsay, Fountainebleau, Versailles, the Opera House. and Sam Senior Strimpler recalled the fun of riding bikes in Fountain Bleau and getting lost in the One hour later woods. Sam and three friends made it back to their hotel, covered in mud. students were even able to get in on some hard core culture when a riot broke out by the Eiffel Tour over the Swiss football team.

The students and teachers all se sout bien amuses time and the memories from the trip will last a lifetime.

## Senioritis: A Student Plague

By: Amanda Nadrowski & Emmett Smith

As the warm spring months are approaching and summer is just around the corner, many senior students are suffering

from a severe illness, known as "senioritis". This contagious disease has been rapidly spreading throughout the senior class. earliest The spotted case was back in September. Its symptoms include lack of motivation, inability to concentrate, severe boredom in class. and incompletion of numerous assignments throughout the year.

If you find yourself suffering from these symptoms, you are not alone. This disease is plaguing the majority of the senior class. While these symptoms

## Faith-Based Group Unites Students and Athletes in MHS

By: Annie Pearsall

Did you wonder what the students gathered in room 120 were doing every Wednesday morning before school? Well, they are members of the Fellowship for Christian Athletes (a national group) more commonly known as the FCA. The FCA is a

group of approximately 15 students in the high school who share a common bond through their faith.

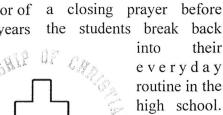

The FCA mission is to present to athletes, students. and coaches, and all whom they influence the challenge of receiving Jesus Christ

as their Lord and Savior.

Mr. James Freda has been a dedicated advisor of the FCA for fours years

after taking over for Mr. Schwartz. He enjoys sharing his faith with the young athletes and students as they open their up minds and

hearts each A usual meeting consists of an opening

their everyday routine in the high school. Mr. Ted Kenny, youth pastor First Baptist Church Manasquan, leads the

bible lesson. Junior Owen Boyle says, "I really enjoy Article continued on next page

week.
