Re: Important End of Year Dates

The finality of the graduation ceremony is upon us at Manasquan High School. We will be celebrating the accomplishments of our students reminiscing of the shared efforts our parents, teachers and community, to develop prepared citizens for life in the 21st Century. I am asking for your support to finish the year strong during a year of unprecedented challenges and obstacles. The Class of 2021 has demonstrated to be true Warriors! Changes to the outdoor gathering limits and the addition of the large corporate size tent on our grounds will allow for our typical end of year celebrations. Our academic year will conclude with our final exam schedule. Details regarding individual events, including graduation ceremony, will be forthcoming to allow for further changes to COVID 19 restrictions, if necessary.
