Dear Parents/Guardians:

Student and staff safety remains the top priority at Manasquan High School. I am reaching out to parents/guardians regarding the ongoing safety issue of morning student drop off at MHS. Parents may drop their students at the front entrance to the building (Broad Street) allowing students to enter at the main entrance. Parents should allow enough time, so students can be in their classes at the **7:34 AM** bell.

No student is to be dropped off on Atlantic Avenue or in the parking lot adjacent to the media center. Staff is only permitted in the back and side parking lots. Please keep in mind there is a heavy traffic of students and staff entering the building from assigned spots for staff in the lot and the municipal parking off campus. **All students must be dropped off on the “Horseshoe” on Broad Street.**

If you have any other questions or concerns, please contact me at (732) 528-8820, extension # 1000 or at rgoodall@manasquan.k12.nj.us.
