

Senior Yearbook Ads

Yearbook ads are a great way to advertise for your business, wish a senior friend (or entire graduating class) good-bye and good luck, and/or show that special senior you love them in the book that they'll treasure for years to come!

You can design the ad or send us photos/text and we'll design it for you.

See previous yearbooks for ideas. **Please avoid sending original or only copies of photos.** Remit ad to Mrs. Larkin with this form completed. Please email clarkin@manasquanboe.org with any questions or concerns.
