## ACADEMY OVERVIEW

The Academy of Finance program offers a special plan of study in finance at the high school level, which also fulfills both required and elective credits. Classroom instruction, supplemented by mentoring from industry specialists, college-level class work, and field trips comprise the important components of this program. Together academy students work on projects in order to develop "real-world" personal, financial, and technical skills that will make them business leaders of tomorrow. Upon completion of the Academy of Finance, the student will receive a "Certificate of Financial Studies."

## ACADEMY COURSES INCLUDE

- Economics
- Accounting I
- Accounting II
- Sports & Entertainment Marketing
- Social Media & Internet Marketing
- Entrepreneurship
- Financial Planning
- AP Microeconomics
- AP Macroeconomics
- Principles of Marketing

## PARTNERSHIP WITH GEORGIAN COURT UNIVERSITY

AOF students can earn college credits from GCU's course ahead program. GCU's School of Business and Digital Media holds accreditation from the Accreditation Council for Business Schools and Programs.
