

2025 ROBERT LEMPA MEMORIAL SCIENCE SCHOLARSHIP

This year, the Robert Lempa Memorial Science Scholarship plans to award one (1) \$3,000 scholarship to a Manasquan High School senior who has been accepted into a college or university for the fall of 2025 and plans to major in a science related program. Students must have a strong academic record, be well rounded and have participated in sports and/or different types of extracurricular activities.

Students must provide a transcript, resume and cover letter which details their interest in science and their college plans.

All applications must be submitted to the Guidance Office no later than Friday, May 2, 2025.
