Attention: Ms. Duggan

The Spring Lake Woman's Club is pleased to announce that we are again offering scholarships to this year's graduating female seniors. In order to be eligible, candidates must maintain a primary residence in Spring Lake or Spring Lake Heights and must have achieved academic standing in the top 30% of the graduating high school class.

Since the Woman's Club of Spring Lake is a service organization, we are particularly interested in a student who has been active in volunteer activities. Greater attention is focused on an individual who has sought out a charity or good works on her own, not as a volunteer requirement that is necessary for graduation or school credit.

Please note all applications are available on our website (scholarship page).
