

Michael P Fay Memorial Scholarship

Mike Fay was a 1989 graduate of Manasquan High School where he was a four-year varsity basketball player. He lost his life in August of 2015 after a two-year battle with metastatic melanoma cancer. We created this memorial scholarship in his honor to carry on his name and celebrate his legacy at Manasquan.

The Michael Fay Memorial Scholarship will be a \$1000 scholarship awarded to a graduating Manasquan High School senior who is an average student, has tried their best, shows kindness and generosity to others and has plans to attend college. Please submit a copy of your transcript (or copy of grades), resume and a brief essay describing a person or event that has changed your life for the better.

Please submit your application and the above information no later than May 25, 2021 either by email to Fay5@optonline.net Or by mail to:

Michael Fay Scholarship
