Dear Guidance Counselor,

The Spring Lake Heights PTA invites your senior class students to apply for our scholarship. The scholarships will be awarded to two students in the amount of \$1,000 per student.

Students eligible for the scholarship must be graduates from Spring Lake Heights Elementary School. The committee is looking for students who are involved, well-rounded individuals, dedicated to pursuing their goals, while enhancing their own lives and those of the people around them. Academic performance, school and community involvement, captivating essay and work experiences are all taken into consideration.

Applicants are required to submit high school transcripts, class rank and SAT/ACT scores. They must also include an acceptance letter provided from a two or four year college or vocational/technical school. We ask that they complete the application, include a resume if they have one along with the required essay. Applicants can choose to send information via mail or via email (scan documents and send as attachments) to slhptascholarships@gmail.com. Packages must be postmarked or received by email by the deadline of May 1, 2024. Photocopies of the application are permissible. All interested parties should forward their scholarship package to:
