email: bbuckley@manasquan.k12.nj.us

The assignment has three parts. The instructions for each of these parts can be downloaded by using the links attached below. If you have problems accessing the files email me at the address.

You can contact the technology department and check out your school computer early if needed.

Part 1: [Learn "Tracker" for Mac](#) : week one, download and learn to use tracker. Due Aug 18th

Part 1: [Learn "Tracker" for Windows](#): week one, download and learn to use tracker. Due Aug 18th

The instructions for Part 1 differ depending on the operating system of your home computer. Make sure you open the file that is appropriate to your computer.

Part 2: [Make a motion video](#): week 2, make a video. Due Aug 24th

If you need a meter stick or tape measure, contact me and we can set up a time to sign one out from school.

Part 3: [Use "Tracker"](#): week 3, import your video into tracker and mark points. Due Aug 31th

As shown on the calendar below, you have one week to complete each part. You can submit any time BEFORE the due date. Please email me if you have any questions or problems.
