

Dear K-4 Parents,

In order to ensure the smoothest possible school experience for your child, your help with the following would be greatly appreciated!

Please remember to:

- ✓ Pack 1-2 extra face masks in your child's backpack
- ✓ Pack a beach towel in your child's backpack for outside activities (please wash it every evening or send a fresh towel each day)
- ✓ Label your child's belongings (full name – homeroom teacher, if possible)
- ✓ Pack napkins in your child's lunch bag/box
- ✓ Pack a snack for your child every day (easy to manage items – pretzels, goldfish, fruit snacks, etc avoid messy items such as yogurt, fruit cups in juice, etc). And please pack a napkin/paper towel that can be opened up and placed on the top of your child's desk during snack time
- ✓ Birthday treats: Cannot be homemade – MUST be individually pre-packaged
- ✓ Wash your child's face mask(s) every evening
- ✓ Ensure your child's mask fits properly (ones that are too loose or too big slip down over the nose). Masks are strongly preferred over gaiters to help alleviate this issue.

ADDITIONAL NOTE: You will shortly be receiving a district email with instructions on how to complete your child(ren)'s STUDENT EMERGENCY CARD online in the Parent Portal. Once you receive the email, we would appreciate you completing the form as soon as possible for safety and security purposes.

NEW: Prior to our first Remote Learning Day on Friday, September 25th, please download the (free) **Microsoft Teams app** on a home device (desktop/laptop/tablet/iPad). Additional information will be forwarded to you from your child's teacher before the 25th regarding the day's virtual schedule. Directions will also be emailed to you for downloading the Microsoft Teams app (which will also be used for our Back-to-School Night Programs) should you need assistance.

Thank you for your cooperation!
