

The Manasquan Backyard Crawl is an event to raise money for the Van Trease family and the Ludwig family in memory of Jillian Ludwig. Participants will be grouped together to travel along a bikeable route of backyards where they can taste food and desserts from local businesses, hear talented musicians, and spend time with friends and neighbors all for a good cause. Aaron Van Trease is a Manasquan resident who attended St. John Vianney as a senior. He was injured during a varsity football game, and we'd like to help pay for his medical expenses. Jillian was a musician who volunteered at the 2023 crawl and who committed to the 2024 crawl. She tragically lost her life in November 2023 while attending college as a freshman.
