

MES FALL CHESS

WHO: Students from all grades, all levels of experience
WHAT: Chess instruction, games, strategies, tactics & FUN!
WHEN: Mondays 3:05-4:05 September 30, October 7, 14, 21
 28. November 11, 18, 25 (8 week session)
WHERE: Manasquan Elementary School library
WHY: Our program is dedicated to enhancing young minds through chess. There are numerous benefits to learning chess: visualization skills, logic, math, reasoning, creativity, sportsmanship & socialization.

Class fee \$165 Checks made payable to: Matt Pugliese (or venmo @Matt-Pugliese-1) (If venmoing, please email registration info to email below)
Completed registration form must be filled out and left in the school front office in an envelope marked, "chess"

We are only accepting the first 20 registrations.
 Any questions contact: Matt Pugliese at mattpgls@aim.com

A typical session will consist of engaging chess lessons, skill sheets, chess puzzles, stories, and supervised play. We award stars for checkmates, completed homework, and outstanding behavior. During the last class awards are given to the top stars. *Matt Pugliese has been teaching chess in Monmouth County schools for 15 years-he believes that chess enhances critical thinking and social skills in a fun and entertaining way.*
