Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Almost without exception, before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. When the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education for discussion it is placed on the work agenda. Only after a full discussion by the Board is action taken.
