We dedicate ourselves to the realization of a supportive learning environment that nurtures growth, personal integrity, and mutual respect.

5. Statement to Public

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, almost without exception, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and the Superintendent of Schools to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

6. Acceptance of Minutes

04/24-01 Recommend **approval** of the acceptance of the minutes of the Open Agenda Work Session and Closed Executive Session of Tuesday, March 20, 2012, the Public Hearing on the 2012-13 School District Budget and Regular Open Business Meeting and Closed Executive Session of Tuesday, March 27, 2012 and the Special Open Business Meeting of Friday, March 30, 2012.
